

Certifying Drainlayer

EARTHWORKS
AORAKI LTD

Earthworks Aoraki Ltd is a medium sized civil construction company located in Geraldine, South Canterbury. The company focuses on residential and commercial civil projects. Established in 2005, the company employs a skilled and highly motivated team of 20 across office and site operations.

We are currently recruiting for a Drainlayer to join our team. Earthworks Aoraki is a dynamic Civil Construction Company. We value our employees and provide excellent working conditions and employee benefits. We have a great team culture and focus on delivering quality in everything we do.

We are currently seeking a Drainlayer who has the desire to work on a diverse range of projects and achieve job satisfaction by producing the highest quality workmanship.

To be successful in this role, you must have the following:

- Experienced in domestic & civil drainage including water reticulation systems, wastewater system, repair and maintenance
- ability to read and interpret plans
- basic knowledge & understanding of various codes, standards in relation to drainage
- work at a level that eliminates re-works through quality and competence
- maintain complete and accurate records of works undertaken as requested by the Site Supervisor or Contracts Manager
- NZQA in Level 3 water & waste water reticulation or equivalent (not essential but advantageous)

Ideally seeking candidates who have completed their drainlaying trade and are licensed, however we may consider candidates in their 3rd or 4th year of their apprenticeship.

In return we offer an excellent hourly rate including various employee benefits.

To apply, please send your CV to kate@earthworksoraki.co.nz
