

## **Diesel Mechanic**

Earthworks Aoraki Ltd is a medium sized civil construction company located in Geraldine, South Canterbury. The company focuses on a range of civil and domestic projects. Established in 2005, the company now employs approximately 20 people.

We are currently recruiting for an experienced Diesel Mechanic to join our team. Earthworks Aoraki is a dynamic Civil Construction Company. We value our employees and provide excellent working conditions and employee benefits. We have a great team culture and focus on delivering quality in everything we do.

This exciting role will enable the successful applicant to be more than just a Mechanic, you will be solely responsible for managing and coordinating the workshop while also getting out into the field for emergency repairs.

If you want to be part of a team where you are valued, respected and rewarded for your contribution, the Earthworks Aoraki is the company for you.

Your role will include:

- Routine preventative maintenance and servicing of our fleet of heavy trucks and construction equipment
- Emergency repairs
- Welding and engineering tasks
- Contributing to the education of staff regarding the correct ways to maintain machines
- Manage the workshop to ensure safe performance and good H&S practices are adhered to

The successful applicant will have:

- Several years experience servicing diesel machinery
- A proactive and solution seeking attitude
- A sound engineering background

We are looking for someone with the drive to take on this established workshop, to make it their own and continue it's success. A competitive remuneration package is available for the right applicant.

To apply, email your CV and cover letter to [kate@earthworksoraki.co.nz](mailto:kate@earthworksoraki.co.nz) or call 03 693 8585 for more information.
